SUMMARY

Cybersecurity expert with over 3 years of hands-on experience in securing enterprise networks, mitigating cyber threats, and implementing security frameworks. Proficient in vulnerability assessments, incident response, and risk management. Skilled in tools like SIEM, IDS/IPS, firewalls, and endpoint protection solutions. Committed to strengthening organizational security posture through proactive defense strategies.

WORK EXPERIENCE

Senior Cyber security Expert

- Implemented advanced threat detection systems, reducing security incidents by 45% across enterprise networks.
- Led deployment of SIEM tools and conducted regular vulnerability assessments.
- Developed and enforced cybersecurity policies aligned with ISO/IEC 27001 standards.
- Trained over 200 staff in secure practices and incident response protocols.
- Responded to and mitigated cyber threats, including phishing, malware, and DDoS attacks.
- Collaborated with IT and legal teams to ensure rapid containment and recovery.

PROJECTS

Network Security Monitoring and Incident Response

- Deployed SIEM tools for real-time traffic analysis and improved incident response by 30%.

Vulnerability Assessment and Penetration Testing

- Conducted security audits and penetration tests, uncovering vulnerabilities to enhance security.

Data Encryption and Secure Communications

- Implemented end-to-end encryption to ensure secure data transmission and compliance with regulations.

EDUCATION

Bachelor Of Engineering In Information Technology

Karachi University - Gulshan-e-Iqbal.

Graduated: September, 2022

Relevant Coursework: Network Security,

Cryptography, Ethical Hacking, Malware Analysis,

Digital Forensics.

Higher-Secondary School (12 GRADE)

KMC Workshop Nishter Road

Passing Year : 2018

Specialization: Science (Physics, Mathematics,

Computer Science)

SKILLS

- Network Security
- Penetration Testing & Ethical Hacking
- Incident Response & Threat Hunting
- Malware Analysis
- Cloud Security
- Risk Management & Compliance
- SIEM (Security Information and Event Management)
